Hello. My name is [your name], and I'm a resident of [County/City].

I'm calling to ask for Commissioner [Last Name]'s support a wildflower resolution in [County/City]. Native roadside wildflowers provide important habitat for pollinators, can reduce long-term mowing costs, and help make our community more attractive.

Many counties and cities across Florida have already adopted similar resolutions, and I would love to see [County/City] take this step as well.

Could you please let me know if the Commissioner is willing to meet or speak about this further? Thank you very much for your time.
